I am a dedicated and hardworking final year student currently studying Games Art (BA) at the University of Hertfordshire. My previous education, leading to a BTEC in Art and Design from Coleg Meirion Dwyfor, focused on traditional art where I developed a passion for life drawing. My time at university so far has given me the opportunity to learn a lot of new software and many techniques, which I hope to build on in the coming years.

HOBBIES AND INTERESTS

Photography, including stereoscopic photography

Gaming: Role-Playing games, in particular fantasy games

Cosplay: attending conventions usually dressed as my favourite in game character

Art: I have a permanent display of my work at the ArtWorks Gallery in Aberdyfi

Music, dance & drama: I attained grade 6 flute, grade 3 harp & grade 1 piano, grade 6 ballet, grade 3 tap and grade 3 modern, and worked as an extra on films including 'The Golden Compass'

SKILLS

Animation in Maya

Scene creation and lighting in Unreal Engine 4

Concept, illustration and Traditional training in artistic practices such as Anatomy, Colour & composition

Organic and hard surface 3D modelling, sculpting and UVing

High to low poly work flow: re-topologizing, surface transfer, baking.

Texturing in Substance Painter and creating repeating textures in Photoshop

Basic rigging of a humanoid character
